No, you did it correctly! I normally draft them, but for some reason this year the information came out so late that I wasn't asked to. I am sharing the few that I received with them/Josh. I think HR is drafting them this year, but im not sure.

Gotcha. I thought the table said we were to provide those to you last Friday – I probably was supposed to send directly to them. Oops!

Thanks Darcy, I will pass them on. I don't think I'm drafting these this year.

Karly – I'm providing a list of items, let me know what you need as far as background.

Greg – Lake Koocanusa; MT general variance action;

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP) issuance of the Merit O&G permits on Wind River; WY UIC Class VI primacy, the Boysen Watershed NPDES Permitting effort with WDEQ

Deb – Consultation w/CSKT on Lake Koocanusa; support on development of the draft WD I&D Action Plan; also assisted on the Merit O&G permits (I know there are more items for Deb which are not bubbling up in my brain right now...)

Thanks!
